Head Teachers Award
Ella C

House Group Winner	Best Class Attendance	Whole School Attendance
Green Blue Yellow	Y1 & Y6 99.3%	97.6% 😊

Green Award: School encourages children to take an interest in the environment and the world around us. We have organised and carried out litter picks in our locality for many years now as well as work to tidy the sea front along with the shop traders there. Recently we took part in a project to plant close to a hundred trees on our school grounds to benefit the generations of children to come. The Sunderland Echo 'Best of Wearside' awards were held at the Stadium of Light this week and I am delighted to say that Dame Dorothy Primary school have won the 'Green Award' for 2019 beating competition from other schools and organisations in the region. Well done to all the children and staff involved for this brilliant honour.

Y1: On Tuesday visited the Sunderland City Library on Tuesday. We took part in the 200 million minutes challenge and we really enjoyed looking at all the lovely books on offer. Did you know that you can borrow 12 books in one go? Get yourselves down and register for a library card. The Y1 children were really keen to get signed up!

Easter Disco:

Tickets are now for sale for the school disco at the office for £1. This will take place on Monday 1st April 4pm—6pm for Y1 –Y6 There will be hot dogs, drinks and tuck on sale.

Year 3 Dance Session: Year 3 were very lucky to have a dance taster session on Wednesday with Rachel from The Foundation of Light

They had a fantastic time and learned some very funky moves! Rachel was very impressed with their coordination and ability to pick up the steps, well done Year 3! If anyone is interested in developing their dance talents sessions are available at The Foundation of Light, the children brought leaflets home yesterday and they are available at the office for anyone else who is interested.

Great North Museum: Y5 had a fabulous day, at the Great North Museum. We explored Mars in our first workshop of the day, learning key facts about the planet and then problem solving. We were asked to think about how we could travel to Mars and what obstacles we would need to overcome. Next we were asked about how the next generation of astronauts, engineers, mechanics and mathematicians that will get us there. We were lucky enough to get to hold a real meteorite. It was dated as being older than the Earth and came from further away than Jupiter. Next stop was the planetarium, learning about the Earth Moon and Sun and the space race and a new challenge that scientists are working on now - the Google Lunar X Prize. We can't wait to research this back at school because there is an English team competing! A great day was had by all and some fantastic new facts learnt about our topic of Space.

Gymnastics Competition: This will take place on Wednesday 3rd at 9.30—12 at AAA Southwick good luck to all taking part.

Beamish Visit: Y4 are going to Beamish on Thursday they will be leaving around 9.15 and returning for the end of school. Children on school lunches will have a packed lunch provided for them, please ensure your child wears their school jumpers and sensible footwear. Children can bring up to £5 spending money.

From Monday 1st April school is providing footballs for all year groups to use – please do not bring in footballs from home.

Y1: We will be visiting Broomhouse Farm on Tuesday 2nd April. We will be leaving school at 9:15am and will return around 3pm. Please make sure the children wear sensible trousers, their school jumper, wellies and a warm coat. We are really looking forward to seeing lots of cute baby animals!
