

## Home School Learning – Day 12

<b>Year group</b>	<b>Reception</b>
<b>Teacher</b>	<b>Mrs Gibson</b>
<b>Date</b>	<b>26th January 2021</b>

Good morning, Reception class. It's Tuesday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry or telephone me at school.. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day.

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

### **Numeracy:**

Today we will be looking at 'full and empty'. Miss Cooper at White Rose Maths has a fantastic video to help you learn light and heavy. There is also an activity sheet attached for you to complete. We hope you enjoy exploring weight around your house. We'd love to see what you discover; please pop your findings on Tapestry.

**Phonics and Reading:** This week we are practising how to spell and read the words 'YOU and ME.' Don't forget that tricky words are red. You can't Fred a red word. Click below to watch the video of Jan and Jack helping you to sight read 'you'.

This week, many of our activities are based upon the traditional tale of The Gingerbread Man. Click onto the link below and sit back to enjoy story time.

Don't forget to try reading an eBook from shala-books.com. The instructions for use are on your Tapestry Memos.

**Understanding the World:** If you are lucky enough to have the ingredients to hand then you can join in with Bake It Down and have some fun in the kitchen. Whether you bake or just watch here are some questions to discuss with your grown-ups. Can you find words that describe how the ingredients in the bowl look? Can you explain how the mixture changes after being cooked? Can you suggest ways of staying safe in the kitchen?
