Good morning Year 1. Here are today's lessons. Have a go and see how you get on. I will be available to chat with you on Microsoft Teams at some point today. If you have questions then post them to me and I'll be online to help. If you finish the work here, you can always play on the games on the Topmarks website. Get busy and have a great day!

Mental maths: Today we will continue practising adding three single-digit numbers. You can watch Monday's video again if you have forgotten how to do it.

ICT/games: After working so hard all week, finish off your Friday with some maths games. I've chosen Blast off today. Click on the blue button 'Count on and back' and follow the instructions. You are welcome to play on the other games too.
