

Home School Learning – Day 1

Year group	1
Teacher	Mrs Horn
Date	25th January 2021

Good morning Year 1. Here are today's lessons. Have a go and see how you get on. I will be available to chat with you on Microsoft Teams at some point today. If you have questions then post them to me and I'll be online to help. If you finish the work here, you can always play on the games on the Topmarks website. Get busy and have a great day!

Mental maths: This week we will be practising counting in 2s. Remember to write the number, then miss a number, then write the next number etc.

Literacy: Today we will be working on our spellings for the week. Complete the worksheet, plus the extension activity, if you can manage it, and try your best to learn your spellings for a little test on Friday.

Worksheet 4

Extension activity: See if you can write some sentences using your new spelling words – maybe one sentence for each new word. Can you use 'and' and 'because' to extend your sentences and add a bit more detail?

Numeracy: We have covered everything in our addition and subtraction topic so this week we will be practising all those skills we have learned. Today we have addition to 20 on a number line.

Worksheet 5

PE: We would have normally had PE today but don't worry – Joe Wicks is back to help us out. You can find his video on Youtube – Joe Wicks PE with Joe.

See if you can complete today's workout and, remember, have lots of fun!

Handwriting: Monday means handwriting. It is really important that we keep practising our handwriting. Today's letter to practise is s for snake. Make sure you start at the top of the letter and work your way down to the bottom.
