

Home School Learning – Day 4

Year group	1
Teacher	Mrs Horn
Date	28th January 2021

Good morning Year 1. Here are today's lessons. Have a go and see how you get on. I will be available to chat with you on Microsoft Teams at some point today. If you have questions then post them to me and I'll be online to help. If you finish the work here, you can always play on the games on the Topmarks website. Get busy and have a great day!

Mental maths: This week we will be practising counting in 2s. Remember to write the number, then miss a number, then write the next number etc. You can watch the video from Monday if you can't remember how to do it.

Worksheet 1

Phonics: Please use Monday's video to practise your sounds again. Have fun!

Literacy: Today I would like to you write a recount, telling me what you did when you painted your handprint dinosaur. Take a look at my example on the worksheet. Remember to use your time connectives. Also try and include 'and', 'because' and some 'ing' words. I can't wait to read your recounts.

Worksheet 2

Numeracy: We have covered everything in our addition and subtraction topic so this week we will be practising all those skills we have learned. Today we have some word problems using your addition and subtraction skills. Read the questions carefully.

Flashback 4 – Week 4 Day 4

Worksheet 3

RE: Today we will be looking at the story of The Lost Coin. It is about a woman who loses one of her coins but then finds it again. It reminds Christians that God always saves people from sin. Look at the powerpoint then, on the worksheet, write what happens in each part of the story.

The Lost Coin powerpoint

Worksheet 4

PSHE: It is important to focus on ourselves sometimes. You can do this in a few different ways, some of which might include doing some yoga, meditating or colouring in. Here is a yoga video for you to try. After that, colour in the colouring worksheet. Remember to use lots of colours and to try your best to stay in the lines.

Worksheet 5

Come back here tomorrow for Friday's tasks.
