

## Home School Learning – Day 10

<b>Year group</b>	<b>Reception</b>
<b>Teacher</b>	<b>Mrs Gibson</b>
<b>Date</b>	<b>22<sup>nd</sup> January 2021</b>

Good morning, Reception class. It's Friday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day.

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

**Numeracy:** This week we will be focusing on exploring and mastering our understanding of the number 5. Miss Cooper at White Rose Maths has a fantastic video to help you learn all about counting up to 5. There is also an activity sheet attached for you to complete.

**Red Words:** It's that time again guys – time to practise our sight reading! As we all know, **you can't Fred a red**, so you have to try to learn these words by sight.

Today we will practice reading and spelling the tricky word THEY. Click below to join in with Jan and Jack to read and spell this new word.

Now can you find the set of red words that I sent home in your pack and see how many you can sight read confidently.

**PE:** After a busy old week, we thought you might enjoy some fun dancing to get your body moving and get that Friday feeling. Cherie from Sadler's Wells, has a fantastic dance video that you can join in with. It's extra special because it follows the theme of our story of the week: Goldilocks and the Three Bears. We would love to hear how you get on with this activity; please upload your videos and photos to Tapestry. What was your favourite part of acting out the story? Which dance move was your favourite?
