

Home School Learning – Day 11

Year group	Reception
Teacher	Mrs Gibson
Date	25th January 2021

Good morning, Reception class. It's Monday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day.

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy: Today we will be looking at weight – light and heavy. Miss Cooper at White Rose Maths has a fantastic video to help you learn light and heavy. There is also an activity sheet attached for you to complete. We hope you enjoy exploring weight around your house. We'd love to see what you discover; please pop your findings on Tapestry.

Phonics and Reading: The letter sound we are recapping today is **b**. Below are some videos about how we say and write the sound. There is also a work sheet to help you practise writing **b**.

There are also some great sheets to support your reading. Can you sound out each sound in the words? Can you read each of these sentences?

Understanding the World: This lesson today will focus on 'Hot and cold weather.' Miss Sidenius at Oak Academy has a fantastic lesson for you. This includes taking part in fun imaginative role play and answering some simple questions about what we need in different types of weather. We would love to see how you complete this; please share what you have found out and any pictures and/ or Videos, on Tapestry. We have also attached a cut and stick worksheet for you to complete.
