

Home School Learning – Day 9

Year group	Reception
Teacher	Mrs Gibson
Date	21st January 2021

Good morning, Reception class. It's Thursday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day.

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy: This week we will be focusing on exploring and mastering our understanding of the number 5. Miss Cooper at White Rose Maths has a fantastic video to help you learn all about counting up to 5. There is also an activity sheet attached for you to complete. When you have finished your worksheet, you can have a go at following the link and exploring number bonds to 5 using the interactive 5 frame.

Comprehension: We have found another fantastic version of our story of the week! Look at this wonderful story with your grown-up. There is also a cut and stick story map activity for you to complete. When you've completed the story map, take a look at the Goldilocks and the Three Bears speech bubble sheets. I wonder if you can think of some simple sentences that the characters might say. You can have a go at writing them yourself; if that is a little tricky for you, you could ask your grown-up to scribe down some of your ideas. Don't forget to colour them in too!

Music: Woohoo! It's my favourite time of the week – music time! You guys are lucky ducks this week, as there is a link below to a special Mr Bloom episode. It includes some fantastic performances by The Northern Ballet. Listen to the music and move your body to it. How does this music make you feel? Which is your favourite performance in the ballet? Do you have a favourite character? What is it about that character that makes you like them?

There is also a lovely song all about Goldilocks and the Three Bears (you may have heard it before). You learn the words to the song, and find something around the house that you can use as a percussion instrument; for example, a toy musical instrument or an overturned pot.

Please upload your videos/ photos to Tapestry – we can't wait to see them!
