

Home School Learning – Day 7

Year group	Reception
Teacher	Mrs Gibson
Date	19th January 2021

Good morning, Reception class. It's Tuesday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day.

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy. This week we will be continuing to explore and master our understanding of numbers from 0-5. Miss Cooper at White Rose Maths has a fantastic video to help you learn all about counting up to 5. There is also an activity sheet attached for you to complete. When you have finished your worksheet, you can have a go at using the attached 5 frame to explore further (you could use them to count small objects such as, buttons, coins or small word figures. Also, there is a worksheet to support your number formation and representation.

Comprehension: This week we will be focusing on the story of Goldilocks and the Three Bears. If you have a copy of the story at home you could share it with your grown-up. If not, don't worry, we've found a fantastic video that will read the story for you. Find the link below.

Drama: There is a fantastic website, offering free drama lessons to children and we think it would be great for you all to take part in retelling and acting out the story of Goldilocks and the Three Bears. It would be great to see how you take part in the activity; please share any videos/ photos on Tapestry. Let us know what your favourite part was.
