

## Home School Learning – Day 13

<b>Year group</b>	<b>Reception</b>
<b>Teacher</b>	<b>Mrs Gibson</b>
<b>Date</b>	<b>27<sup>th</sup> January 2021</b>

Good morning, Reception class. It's Wednesday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day.

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

**Numeracy:** This week we will be focusing on exploring the concepts of measuring and capacity. Miss Cooper at White Rose Maths has a fantastic video to help you learn all about this. There is a challenge for you at the end of the short video. I would love to see on Tapestry if you have carried it out at home.

**Phonics and Reading:** The letter sound we are recapping today is **f**. Below are some videos about how we say and write the sound. There is also a work sheet to help you practise writing **f**.

**Drama:** There is a fantastic website, offering free drama lessons to children and we think it would be great for you all to take part in retelling and acting out the story of The Gingerbread Man. It would be great to see how you take part in the activity; please share any videos/photos on Tapestry. Let us know what your favourite part was.
