

Home School Learning – Day 12

Year group	6
Teacher	Mrs Pearson
Date	Tuesday 26th January 2021

Morning everyone. I will be available to chat with you on Microsoft Teams from 9.30 – 10.30. If you have questions then post them to me and I'll be online to help. I can share my screen with you if you're really stuck on anything. If you finish the work here you always have TT Rockstars.

Numeracy: Today we will be watching the video about finding fractions of amounts and then completing the corresponding worksheets in your file.

Fractions of an amount

<https://vimeo.com/480708541>

Complete these worksheets in your file after you have watched the video. Feel free to watch the video as many times as you need.

Don't forget today's FLASHBACK 4

Spend 10 minutes on TT Rockstars to practise your quick recall of all the multiplication tables.

Literacy:

Today I would like you to read chapters 6, 7 and 8 of your book. I would like you to write down any tricky words and find their meaning. The reading might take you more than one day so don't worry. We are going to answer comprehension questions about these 3 chapters tomorrow.

Science

I would like you to read the information sheet about Isaac Newton then answer the comprehension questions on the next page.

Challenge: What else can you find out about Isaac Newton. What was his most famous discovery?
