Winter

Home Learning Challenges

Draw a picture of someone dressed for a cold winter day and then label the clothes they are wearing to keep them warm and dry.

Go on a winter walk with a grown-up and look around to see the things that have changed since the summer.

On winter mornings the ground often looks white with frost. Ask a grown-up to help you investigate the frost and find out what it is and where it comes from.

Design a scarf. You could draw it, paint it or even use other materials to make a collage.

Sammy squirrel hid 8 nuts for the winter. He has already eaten 5 of them. How many nuts has he got left? You could draw a picture or use your fingers to help you work out the answer.

Some animals live in cold places around the world. Draw a picture of an animal that lives in a cold place and find out a fact to share with the class about your animal.

Sing a rhyme that counts back from 5

Can you see the one less pattern?

It would be great if you could use some props from around your house to act out the rhyme as you sing.

Can you make up your own counting back rhyme to sing?
