

Home School Learning – Day 27

Year group	Reception
Teacher	Mrs Lavelle
Date	23rd February 2021

Good morning, Reception class. It's Tuesday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry or telephone me at school. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day. I've attached a link to Steve and Maggie's YouTube page, where you can find a wide range of fun videos offered in different languages. [Steve and Maggie YouTube Channels](#)

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy:

Today we will be continuing in the phase of building 9 and 10 and will be representing and Sorting 9 and 10. Miss Cooper at White Rose Maths has a fantastic video to help you learn about making pairs. There is also an activity sheet attached for you to complete.

Comprehension: This week we have a new story: Jasper's Beanstalk. We've attached a video of the story for you to watch.

[Jasper's Beanstalk - Video](#)

Now you've heard the story, why not have a go at ordering the story. We have attached a worksheet with pictures for you to order, within the home learning pack.

[Jasper's Beanstalk – worksheet](#)

There is also a home learning challenge sheet attached. We would love to see taking on some of these challenges, on tapestry.

Planting time:

We thought you might like to plant your very own beanstalk; just like Jasper! As part of your home learning pack, we have added a pot, some compost and a bean for planting. We would like you to keep track of how your beanstalk grows. We have also attached a height chart to allow you to record the changes you notice as your beanstalk grows.

We would love to see you planting your bean and talking about what it needs to grow; have your grownup share videos and pictures of you completing this task, on tapestry.
