

Home School Learning – Day 22

Year group	Reception
Teacher	Mrs Gibson
Date	9th February 2021

Good morning, Reception class. It's Tuesday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry or telephone me at school. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day. I've attached a link to Steve and Maggie's YouTube page, where you can find a wide range of fun videos offered in different languages. [Steve and Maggie YouTube Channels](#)

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy:

Today we will be looking at making pairs. Miss Cooper at White Rose Maths has a fantastic video to help you learn about making pairs. There is also an activity sheet attached for you to complete.

Comprehension: This week we have a new story: Mr Wolf's Pancakes. We've attached a video story of

[Mr Wolf's Pancakes Video](#)

Now you've heard the story, why not have a go at writing about it. We have attached a worksheet for you to complete. If it's a little tricky, you could get your grown up to write your responses on the sheet.

There is also a comprehension sheet attached. Try to answer the questions. We would love to see your responses, on tapestry.

Creative time:

It's Showtime! We thought you might enjoy retelling the story of Mr Wolf's Pancakes yourself, so we've attached a puppet template sheet, you can cut out the characters, pop them on a lolly stick or drinking straw, then act out the story with your story puppets. If you have some spare cardboard boxes, you could even make a story setting too!

We would love to see you retelling the story; have your grownup share videos and pictures of you completing this task, on tapestry.
