

Home School Learning – Day 5

Year group	1
Teacher	Mrs Horn
Date	12th February 2021

Good morning Year 1. Here are today's lessons. Have a go and see how you get on. I will be available to chat with you on Microsoft Teams at some point today. If you have questions then post them to me and I'll be online to help. If you finish the work here, you can always play on the games on the Topmarks website. Get busy and have a great day!

Mental maths: This week we will be practising counting in 10s. Remember, the tens just go up in ones and every number ends with a zero. You can watch the video from Monday if you can't remember how to do it.

Worksheet 1

Phonics: Please use Monday's video to practise your sounds again. Have fun!

Literacy: After the half term holidays, we will begin writing our own diary. People tend to write in their diary on an evening and they write about things they have done that day and how they felt. Over the holidays (Monday to Thursday), I would like you to make some notes about your days - what did you do? How did you feel? Our diary worksheets will have space for either a drawing or a photograph so maybe you would like to take some photos (if you are able to print them off). Drawings are fine too though. Have a look at this help sheet for some ideas and keep it for after the holidays when we write our diary entries.

Worksheet 2

Numeracy: Today we are continuing our maths topic – place value within 50. Start with your Flashback 4 to recap things we have already done. Then watch the White Rose video and have a go at the worksheet.

Quiz: Worksheet 4

Spelling test: It's Friday today which is when we would usually have a little spelling test in school. Get your adult to test you on your spellings to see if you have remembered them all. Good luck!

Your spelling words were:

friend, little, them, very

Topic: You've all worked so hard this half term, so here's a lovely Valentine's heart to colour.

Worksheet 5

Come back again after the half term break for your new tasks. Have a great week!
