

## Home School Learning – Day 3

<b>Year group</b>	<b>1</b>
<b>Teacher</b>	<b>Mrs Horn</b>
<b>Date</b>	<b>24<sup>th</sup> February 2021</b>

Good morning Year 1. Here are today's lessons. Have a go and see how you get on. I will be available to chat with you on Microsoft Teams at some point today. If you have questions then post them to me and I'll be online to help. If you finish the work here, you can always play on the games on the Topmarks website. Get busy and have a great day!

**Mental maths:** This week we are learning to double numbers up to 10. You can watch the video from Monday if you can't remember how to do it.

Worksheet 1

**Phonics:** Please use Monday's video to practise your sounds again. Have fun!

[Video: Miss Ward's phonics group](#)

**Literacy:** Today we will continue writing our diary entries about what we did in the half term holidays. Remember to write about what you did, how you felt etc. You could either print off a photo or draw a picture to go with it. Can you include and, because, ing, some ed words or a question?

Worksheet 2

**Numeracy:** Today we are continuing our maths topic – place value within 50. Start with your Flashback 4 to recap things we have already done. Then watch the White Rose video and have a go at the worksheet.

Flashback 4 – Week 7 Day 3

[Video: Count in 5s](#)

Worksheet 3

**Science:** Today I would like you to think about what the best material would be for a gymnast's leotard. You will be testing some different materials and deciding which would be best. You can choose your materials to test - you might want to think about how stretchy and flexible your materials are. You could test materials such as paper, wool, lycra, tissue, kitchen roll - anything really. Then, fill in your enquiry worksheet. You could test them by seeing how far each material stretches.

Worksheet 4

**ICT:** Today I thought you might like to play some phonics games. Click on the link and enjoy a game of DJ Cow. You can choose the sounds you'd like to practise.
