

## Home School Learning – Day 2

<b>Year group</b>	<b>1</b>
<b>Teacher</b>	<b>Mrs Horn</b>
<b>Date</b>	<b>2nd March 2021</b>

Good morning Year 1. Here are today's lessons. Have a go and see how you get on. I will be available to chat with you on Microsoft Teams at some point today. If you have questions then post them to me and I'll be online to help. If you finish the work here, you can always play on the games on the Topmarks website. Get busy and have a great day!

**Mental maths:** This week we are learning to count in 5s up to 60. You can watch the video from Monday if you can't remember how to do it.

Worksheet 2

**Numeracy:** Today we are continuing our maths topic – length and height. Start with your Flashback 4 to recap things we have already done. Then watch the White Rose video and have a go at the activities in the video.

Activity – have you got any teddies at home? Can you line them up in order from tallest to shortest?

**Topic:** Today we will be thinking about map drawing. I would like you to look around you and make it into a map. In our classroom, we will include things like the desk, window, fire door etc. Look at my example for ideas.

Worksheet 3

**Supermovers:** Here's a little video from the Supermovers to help us learn our number bonds. Have fun joining in with the dance moves.
