

Home School Learning – Day 30

Year group	Reception
Teacher	Mrs Gibson
Date	26th February 2021

Good morning, Reception class. It's Friday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day. I've attached a link to Steve and Maggie's YouTube page, where you can find a wide range of fun videos offered in different languages. [Steve and Maggie YouTube Channels](#)

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy: Today we will be continuing with our topic of building 9 and 10. Today is super fun, because we get to play number bingo! Miss Cooper has a great video for you to watch, showing how to play the game. There is a sheet attached with some bingo cards for you to play with your grownups.

Red Words: It's that time again guys – time to practise our sight reading! As we all know, **you can't Fred a red**, so you have to try to learn these words by sight. The red word we will focus on today is **saw**. There is a video below to help you learn this brand new sight word.

PE: This week has been such a busy one! We thought we would end on a high, by having a little dance. So get on your dancing shoes and see if your parents and/or siblings want to join in with this super go noodle dance number. We would love to see your moves; have your grownup share some pictures or videos of you taking part in this activity, on Tapestry.
