

## Home School Learning – Day 34

<b>Year group</b>	<b>Reception</b>
<b>Teacher</b>	<b>Mrs Lavelle</b>
<b>Date</b>	<b>4<sup>th</sup> February 2021</b>

Good morning, Reception class. It's Thursday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day. I've attached a link to Steve and Maggie's YouTube page, where you can find a wide range of fun videos offered in different languages. [Steve and Maggie YouTube Channels](#)

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

**Numeracy:** The focus today will be on the composition of 9 and 10. Miss Cooper at White Rose Maths has a fantastic video to help you learn all about this. There is also an activity sheet to for you to complete.

**Word blending – CVC words:** This week, we have learned two new letter sounds: **y** and **w**. Mrs Gibson and I have prepared some videos to support you in blending using these sounds. Look carefully at each letter sound, then carefully blend them together to make a word.

Once you have watched the videos, you can have a go at writing some of these words. If you're up for a little bit more of a challenge, you could try writing a simple sentence too!

**Music Time:** It's my favourite time of the week! We found some fantastic music lessons based around Jack and the Beanstalk. The first song I would like you to learn is called, 'And the beanstalk grew'. It's a lovely slow song.

The next song is called, 'Fee-fi-fo-fum!' This song is to be sung quite loudly. Enjoy!

We would love to see you join in with this music lesson; have your grownup take some photos or video recordings to share with us on Tapestry.
