

Home School Learning – Day 23

Year group	Reception
Teacher	Mrs Gibson
Date	10th February 2021

Good morning, Reception class. It's Wednesday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day.

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy: Today's focus will be combining two groups of objects. Miss Cooper at White Rose Maths has a fantastic video to help you learn all about this. There is a challenge for you at the end of the short video. We have also added a blank 10 frame for you to explore representing numbers up to 10. You could do this by using counters, buttons, small toys or even sweets.

Phonics and Reading: The letter sound we are recapping today is **r**. Below are some videos about how we say and write the sound. There is also a work sheet to help you practise writing **r**.

Cooking:

We thought you might enjoy making your own pancakes! We've added a recipe to help you make your very own pancakes. Don't forget to flip your pancake in the air! When you have finished preparing your pancakes, you can add your favourite topping to them. What do you like on your pancakes? Golden syrup? Lemon? Sliced banana? Strawberries? We would love to see how you made your pancakes; have your grownup share what you've made on Tapestry. Happy flipping!
