

Home School Learning – Day 28

Year group	Reception
Teacher	Mrs Lavelle
Date	24th February 2021

Good morning, Reception class. It's Wednesday morning and sadly we can't be together in school, but I have set you work to complete today. Have a go at the three lessons. If you have questions, please don't hesitate to use Tapestry to communicate with a member of the team. One of the team will be available to respond to any queries you may have via Tapestry throughout the day. If you finish the work here you could go online and play games on Letters and Sounds Phase 2 or use Doorway Letter and Number formation, like we do in class each day. I've attached a link to Steve and Maggie's YouTube page, where you can find a wide range of fun videos offered in different languages. [Steve and Maggie YouTube Channels](#)

All of your teachers would be delighted to see your work. You can send us photographs on Tapestry. Happy learning, everyone!

Numeracy: Today's focus will be ordering numerals to 10. Miss Cooper at White Rose Maths has a fantastic video to help you learn all about this. There's some number cards attached, for you to cut out and order yourself.

Session 3 activity sheet

Phonics and Reading: The letter sound we are recapping today is **v**. Below there is a video about how we say and write the sound. There is also a work sheet to help you practise writing **v**.

Creative time:

We thought you might enjoy making your own beanstalk out of materials you can find in your home; this could be newspaper, wrapping paper, crafting tissue paper or anything else you can get your hands on. We have prepared a sheet with instructions to help you create your very own growing beanstalk.

Make your own growing beanstalk

We would love to see your results on Tapestry.
