Good morning, hope you have all had a good weekend? It is our last week before half term, well done everyone on completing your work.

Well done to those that joined me on Teams on Friday for our group spelling test. If you didn't join us, how did you get on? If you need me this week, I will be available to chat with you on Microsoft Teams from 10.30am to 11:30am Monday - Friday. If you have questions about your work, then post them to me and I'll be online to help.

If you finish the work here you always have TT Rockstars, I will be posting a leader board on FB today and then every Monday.

Log onto Teams with me at 10.45am for video chat and I will read them with you. I will read the first one all the way through, have the worksheet ready for the Coughs and Sneezes Chapter and we can work through it together.

### Topic

Spies and Espionage – Famous spies.

After all your hard work, a little fun for you. Follow the instructions on the famous spies sheet.

You are Mission Control, at MI6, conducting research on the most famous spies in history. Make up the files for them and learn what they got up to. I have included some sites for you to learn more about spies in WW2 and why they were important. A famous author was a WW2 spy, click the link to find out who.
