See you for a live lesson at 9:30am on Teams. Join via the calendar.

Complete these worksheets in your file after you have watched the video. Feel free to watch the video as many times as you need.

Don't forget today's FLASHBACK 4

Spend 10 minutes on TT Rockstars to practise your quick recall of all the multiplication tables.

Literacy:

Over the next few days we are going to add in an extra chapter to our class novel.

Science

Over the next week, I would like you to find out all about Charles Darwin. Watch videos(from Youtube), make notes and draw maps of his journey. This is a project that will result in a fact file about the scientist. The more effort you put into your research, the better your project will be. **Treat this like an Open Homework task.**

Challenge: Continue to complete your wellbeing workbook. Set yourself some daily goals!
