

Home School Learning – Day 23

Year group	6
Teacher	Mrs Pearson
Date	Wednesday 10th February 2021

Morning everyone. I will be available to chat with you on Microsoft Teams from 9.30 – 10.30. If you have questions then post them to me and I'll be online to help. I can share my screen with you if you're really stuck on anything. We will be continuing with our new topic in maths today. If you finish the work here you always have TT Rockstars.

Numeracy: Today we will be watching the video 'Fractions to decimals' and then completing the corresponding worksheets in your file. This is an important skill when solving problems with money and measures.

Fractions to decimals (2)

<https://vimeo.com/491970120>

Complete these worksheets in your file after you have watched the video. Feel free to watch the video as many times as you need.

Don't forget today's FLASHBACK 4

Spend 10 minutes on TT Rockstars to practise your quick recall of all the multiplication tables.

Literacy:

Complete the comprehension questions linked to chapter 13 today. You could also read the next chapter.

Topic

Continue to work on the global warming sheet today. Have a look on youtube and see if you can find any videos linked with global warming. If you search for... global warming for key stage 2 you should find some interesting videos.

Challenge: Take some exercise today!
