

## Home School Learning – Day 4

<b>Year group</b>	<b>2</b>
<b>Teacher</b>	<b>Mrs. Burdon</b>
<b>Date</b>	<b>March 4th 2021</b>

Good morning year 2. It's Thursday morning and here is a set of lessons for you to try today. Have a go and try your best. If you finish the work you always have TT Rockstars to try. Remember to have regular breaks for exercise and you might want to try Joe Wicks at some point during the day. You can find him on YouTube. Take care and I hope you are well.

### **Numeracy:**

Today's work is all about multiplication and division. Watch the video and complete the worksheets.

Video 1: [divide by 5](#)

Worksheet 1 : Divide by 5

**Literacy:** Today we are completing compound sentences about the story 'Katie Morag delivers the mail'. Use joining words: and, or, but. The instructions are on the sheet.

Worksheet: Katie Morag compound sentences

**R.E.:** Today we are still looking at Religious Education. We are looking at Christianity. We are looking at how Christians belong and are committed to God and the church. We are going to look at a bible story. I have given you different versions of the story below. There is an animation and a power point. Have a look at both and then cut out sequence the story pictures in the correct order. You can start to retell the story in your own words in sentences. Remember capital letters and full stops. Also see if you can add some joining words to make sentences longer. Use 'and' 'but' and 'or'. If you do not finish this today I have set aside tie tomorrow as well.

Here is an example: **Jacob had 12 sons but Joseph was his favourite.**

Link to story animation: [Joseph and his coat of many colours](#)

Power point: Joseph and his technicolour dream coat

**Art:** Today's lesson looks at how you can bring your drawings to life. Watch the video and try the activities.

**Video:** [How to bring drawings to life](#)

**Extra activity:** [Division](#) Just focus on 2 5 and 10
